

Nissan Forklift

Nissan Forklift Training Ontario - Nissan takes immense delight in attaining complete customer satisfaction, when their client is experiencing one of their various products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and detail-oriented quality values to their customers. Incorporating a prosperous heritage combined with strong processing principals, Nissan Forklifts supply many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the business has four distinct manufacturing facilities that allow them to persistently adapt to their consumers continually evolving wishes by offering an assortment of innovative ideas and concepts.

The Nissan Lift truck North and South American base is stationed in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the cooperation, design and manufacture of their goods. Operating under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to sustain environmental accountability by utilizing systems that minimize the worldwide influence of their goods and processes. These high values remind customers that Nissan operates under the quality seal that their consumers insist upon while being an environmentally conscious organization.

Nissan is fairly confident that any of their clients inquiries and client concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally endorsed sellers or even going to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
